Exodus 22:1-23

What kind of church is SBC? What are our most essential components? What are the imperatives that define our very substance, direction, and influence our decisions as a faith community? Penetrating questions that don't have easy answers. Over the next several weeks we hope to begin to answer those questions in our **Elements** Series.

The Gospel changes everything. God has changed our hearts, rescued us from the devastating consequences of our sin, given us the Holy Spirit to direct us and transform us into the very likeness of Christ. So what will be our response? How will we react to what God has accomplished for us and in us? How are we to react to a world that so desperately needs what we have been given by a generous God? How will we live out the Gospel together as the Family of God?

We have talked often about our core realities of Living Faith, Giving Love, and Sharing Hope. So what does that look like as we live those things out together here at SBC? In the weeks to come we will discover the core elements that make up who we are as a church and what it means to truly be a church of Faith, Hope, and Love.

Living faith  giving love  sharing hope
